ABOUT US
Ace Tuition has been offering tuition programmes and personal tuition in North East Essex for over 10 years. We are part of the Association of Professional Tuition Centres which link with over 35 other centres across the UK and sets down

standards for independent tuition centres. Ace Tuition has been offering tuition

programmes and personal tuition in North East Essex for over 10 years. We are part of the Association of Professional Tuition Centres which link with over 35 other centres across the UK and sets down standards for independent tuition centres. Catering for everyone from reception to year 11, the Centres' tutoring programs offer advanced learning strategies and specialist learning skills for those needing a little extra help and motivation to succeed. Learning is always at the students' own pace and fun is an essential part of our formula. Students attend for lessons lasting for either an hour or 80 minutes. Lessons are structured around the results from the assessment. Students are given an individual learning plan in English and Maths with between 4 and 6 planned activities per session. OUR

MY OWN TUTOR

Ace Tuition Centre has partnered with "My Own Tutor" to offer a learning support

service to complement the professional tuition. The online activities support the

National Curriculum and are designed to help and promote improvement in a

student's results, progress, motivation and confidence. My Own Tutor Learning

starts from as little as £5 per week My Own Tutor's Home Service means that

students have exercises to do at home throughout the week, with lessons available

24/7 with help from qualified teachers available Mondays to Saturdays My Own

Tutor's games-based exercises increase the amount of student practice and

learning by over 25% The exercises which the students do with "My Own Tutor" are

monitored so that parents can see exactly how their children are

progressing. Weekly reports are received and can be discussed at Guidance Meetings. These results are also used to focus the student's continued learning support at the Centre through their regular tuition sessions. All customers of My Own Tutor receive a free membership to the Shop2Learn discount shopping scheme.

ADULT TUITION AND EXAM CENTRE

Ace Tuition offers courses for adult learners in a caring friendly and welcoming environment. Fees are very affordable. We pride ourselves on treating our adult students as individuals. We aim to help each student to reach their full potential and achieve the skills and qualifications needed to succeed in life or at work. At the Ace Tuition Centres we provide the perfect alternative to larger education colleges. We have been a first choice for many adults who want individual or small group tuition. Functional skills

If you want to improve your reading, writing, literacy, numeracy, or information and communication technology skills, or want to improve the skills you already have, a Functional Skills qualification could be for you. Functional Skills courses for adults are available in:

Adult literacy (reading, writing, spelling and grammar)

Adult numeracy (maths)

Information and communications technology (computers)

All available at different levels entry and levels 1, 2 and 3. Free Assessment. CARING,

PRIVATE TUITION WITH GREAT RESULTS

After the initial call a free assessment is arranged for the student. The outcome is discussed and a teaching programme proposed. Progress is monitored closely each week and a re-assessment carried out twice a year. Parents can clearly see the progress being made. The Centre offers tuition primarily in English and Maths but sessions in Science, Languages, Technology Business and ICT can also be arranged. Lessons are either 60 or 80 minutes in length which allows for a variety of teaching methods to be used including computer based work to motivate the student. Teaching takes place in within small groups (3-4 students). Every student has their own teaching programme and receives individual tuition.

Ace Tuition Centres specialise in the teaching of ENGLISH, MATHS, READING AND

SPELLING ensuring every student understands the basic concepts in these

subjects. Students are treated with respect and understanding.

Achievement is natural, fun and confidence soon increases. A carefully graded

curriculum enables progress that is constant, monitored and accelerated. Students

are initially engaged in activities in which they feel confident and then progress at their own pace never feeling overwhelmed.Improvements follow naturally as concepts are explained, revised and practiced.
