

Artificial Grass Sheffield

165 Bell Hagg Road
Sheffield S6 5DA
United Kingdom

Phone: 1146979000

Professional artificial grass installation serving Sheffield & Rotherham and across South Yorkshire. Our experienced installers transform gardens, patios, and outdoor spaces with premium synthetic turf designed for the British climate. Specialising in high-quality artificial grass that stays lush year-round, we use superior groundbase materials ensuring excellent drainage - essential for Sheffield's rainfall. No more muddy patches, weekend mowing, or patchy lawns. We install artificial grass for residential gardens, commercial properties, play areas, and pet-friendly spaces throughout Sheffield, Chesterfield, Barnsley, and surrounding areas. Each

installation features professional ground preparation, quality membrane systems, page 1 / 2

and premium infill for a natural look and feel. Low maintenance, durable, and eco-friendly - our artificial lawns save you time and money while enhancing your property value. Free quotes available across South Yorkshire. Contact us today to transform your outdoor space. Website:
